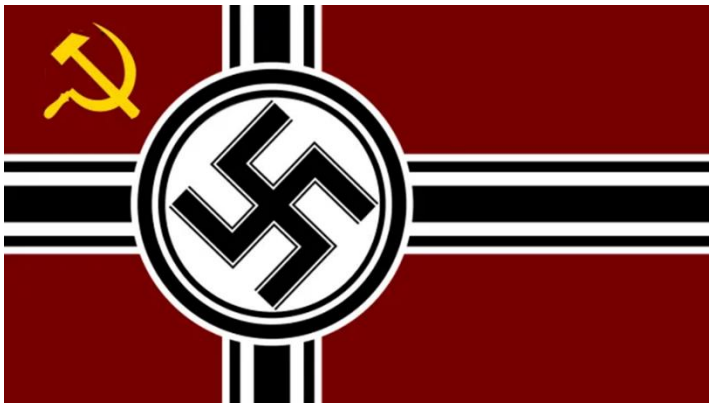
Letters for the better.



The greatest collection of letters. Ever.

6D 68, 50 4C, 65 9G, 76 4B

Preface

From the history-ridden writings of 6D 68, to the sole masterpiece of 76 4B, accompanying with 65 9G's modern letters, finalising with 50 4C's short and sweet writings, just how I like those girls.

From an idea of writing a letter to God during tuition class, 6D 68 and 50 4C had an idea, yet everyone had an equal hand in making this a masterpiece. Lencho must be proud.

With hate/love,

50 4C, 6D 68, 65 9G, 76 4B.

Respected Allah,

I, BCGL4q@(, from a Hindu family, wants to join the Islam or Muslim community. I know all the consequences, what needs are required for becoming a Muslim. I'm ready to give my life for your ass as Jihadist. I've sinned a lot, dear. Hence, I only have two requirements- a three year old and a scissor. The scissor to chop off ~~my dick~~ part of it, and the three year old as me wife. Glory be upon Muhammad, peace be upon him.

Allahu Akbar.

Also, as a supporter of Ajmal Khasab, I will revenge him for my homeland.

Allahu Akbar

Lord had his holiness of dick upon your hairline. And you too gave a hilarious blowjob to Satan, he complained me yesterday. See, you aint mewer cuz Kim Jaggery Goon can mogg your recessed eyeballs af.

Got the news, that your mum was having sex with Jewish victim named Anne Frank and Nigga Mandela. You fucking hybrid sucker, you were born like this? You stupid bitch,

I told you not to mix with the Aryans. I have to be FRANK with it, I shouldn’t have been a Jew. Now, it’s been a few years, and I miss that puss. Too bad the SS gotchyo ass. Luckily I'm alive. Oy fucking Vey! Seems this diary can be of great profit- these secrets don’t matter. Your husband would have been lucky.

Dearly,

Otto

Führer,

Thank you. You shouldn't have killed yourself; too bad the Ruskis and all that Meth got you. Should have killed the six million. Fuck, no, all. All of them. The niggers too. Us too. We, on behalf of your grace, have written three letters to Anne Frank. The world needs you desperately now, you know that sir? You would've eradicated all wrong and been the silver lining – of any cloud. May god – of all people except the kikes, bless you. Coming to heaven soon. Get ready for an interview.

Fan

Irrespected 16yo Jew,

May your soul squirt on your old ass boobs backwards. And ditch your diary, I already fed it to your dad. Kike, stupid fuck, diary ain't gonna save you from Hitler's gassy balls tangled within ur hair. You better divide yourself by holocaust's acid. Vey's won't help kikey Jew. Even spongebob's armpit was cleaner than your literature suki (bitch). And get yourself some therapy, and keep some rotten onions sown your cervix, gonna make you smell like rotten dogs.

With faps,

Yours unholy,

65 9G.

A Letter To God

*3****H R***

Kolkata 7****5

Dear God

I hope you find this letter in a healthy state, because the pollution is out of this world. I have read the letter which Rabindranath Tagore wrote to you. Now, I'm not going to demand answers for whether you have forgiven the sinners. But I do have one question. CAN YOU PLEASE BRING BACK MY SWEET LITTLE BOY, HITLER? Please father! I hope he is still present in your scrotal sacs. As a virgo (Fertility god) and a sinner... PUNISH ME DADDY!

Thats it for today. I'm curious that how well your pre-boards went. Pass on my love to uncle and aunty.

Yours lovely

unemployed son
